Dear Academy of Dance Family,

Welcome to the 2011-2012 season of dance at the Academy! We are so happy to see everyone back at the studio, as well as the new dancers who are joining us this year! To make sure this is a successful year, please be prepared for class every day. Arrive to class on time, wear the proper clothes for that class, including shoes, and hair is in the correct hairstyle. You can find these guidelines on our website, or check with your teacher if you have any questions. Being properly dressed out every day enables you to learn effectively and shows your teacher you are committed!

Studio updates will be sent out via email, monthly newsletter, as well as posted at the studio. Please make sure the studio has the correct email address so we can continue to send you the latest news.
