### **R e m i n d e r**

We understand that as parents you are very excited to watch your child during their dance class. We keep the viewing window closed except for special occasions so that the instructors have the dancer's FULL attention during class. This is for the betterment of the class and your child's attention span. Dancers have a hard time concentrating (while learning material) when they know they are being watched. Thank you for your for your cooperation as we start preparing for the end of the year show.

## COMPANY CORNER

Congratulations to all of our company dancers on a wonderful weekend at the Showstoppers competition. We are so proud of each of you for a job well done!!

Platinum National Dance competition will be held at UNF on March 4th – 6th. We will provide more details on specific times as we get closer to the show. We hope you can all join us in support of the Academy of Dance Company Dance Team.
